Dear Maryknollers,

Greetings.

With the celebration of Thanksgiving drawing near we all have much to thank God for -- the bountifulness of life that we experience, the gratitude for each other, and the way we support and provide life-giving experiences.

First, we would like to thank all of you for the strong and enthusiastic presence at the Foundation's AGM held in September. We hope to see even more of our members at our next function.

As we move forward as a group, we have a few ideas to share with you.

We have set up a small committee for a preliminary draft of the constitution for the Incorporated Management Committee (IMC) for the School. The IMC will be responsible for directly overseeing the running of the School, and will be set up in due course under the new Education (Amendment) Ordinance. There will be wider consultation on that draft when it is ready.

There is a larger-scale project involving as many of you who will volunteer to help. We are planning to set up a Mentorship Program, pairing up graduating Secondary students with alumni. It is a structured one-on-one relationship between the alumni mentor and the student mentee. Through this program the student will gain perspective beyond the classroom and learn from the alumni mentor who will provide guidance and sharing. We believe this will strengthen our link with the past and move our education into the future. You will be called upon when the program launches.

This is our first update. We hope to keep you informed about the activities of the Foundation. And feel free to drop us a line with your thoughts.

God bless.

Sister Jeanne Houlihan
Chairperson
